

Enrolment of trainees

Regarding dating back of A&E experience of our trainees from the date of registration, 49th Council Meeting, 27 May 2003:

The Council endorsed that the extension of trainee enrolment to year-round would be implemented by 1 June 2003. Dr. Tong would arrange to inform the Training Supervisors of this and the allowance of dating back of 3 months from the date the application form was received by EC, provided the prospective trainee had been working under the supervision of the nominating supervisor.
